

Retraction

The following article has been retracted by the Editorial Board of Industrial Health. This original article is a duplicated article which was previously published entitled “Prevalence and risk factors of musculoskeletal symptoms among dental students and dental practitioners in Riyadh City, Saudi Arabia” in Archives of Environmental and Occupational Health, Volume 73, Number 1, 56–63, 2018 (Received June 15, 2016 and accepted February 19, 2017). In accordance with policies and procedures governing academic publication, we concluded that this article published in Industrial Health be retracted.

Title: Self-reported musculoskeletal symptoms among dentists in Saudi Arabia
Authors: Zainah AL-SHEHRI and Mustafa AL-ZOUGHLOOL

Industrial Health, Volume 55, Number 4, 338–344, 2017
(Received October 2, 2016 and accepted March 13, 2017)
